

TRAIN THE TRAINER

Financial Literacy Education Skill Set (CHCSS00077)

Nationally recognised training · The Yenom Foundation with RTO 32373

Build financial capability inside your organisation or community. This skill set prepares your people to run practical financial literacy sessions and to point colleagues and clients to the right support.

Three units

CHCEDU005	Work with clients to identify financial literacy education needs
CHCEDU006	Improve clients' fundamental financial literacy skills
CHCEDU007	Provide group education on consumer credit and debt

What you'll be able to do

- Explain financial inclusion, goal setting, budgeting, debt management and basic financial products available in Australia
- Identify the issues that low financial literacy creates, and plan an education program to address them
- Deliver financial literacy workshops and sessions
- Refer people confidently to independent services such as financial counselling
